STATINTL

Dear 

Please refer to my letters of January 15, 1962 and February 2, 1962 and various telephone conversations all concerned with the allotment of additional funds to these two Task Orders.

We have already over expended the funds allotted to Task Order 6 and probably will reach the total allotted to Task Order 5 during the month of April. Our need is urgent.

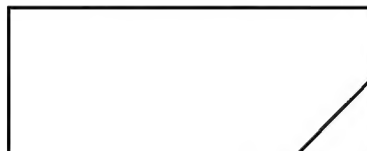

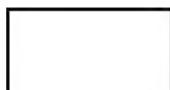

To be mailed 4/17/62

Very truly yours,

STATINTL
